

Motiv8 Volunteers

Who we are:

Each year, approximately 50 volunteers are recruited and attend the initial training before going onto a range of volunteering activities.

We attract, train and accredit people of all ages and backgrounds, especially young people, from across South-East Hampshire. Our volunteers enhance their knowledge and skills, make new friends and join an organisation that is passionate about helping the hardest to reach young people fulfil their potential.

What we do:

Appropriate Adult Service:

We provide Appropriate Adults for young people who are detained at Police stations in South East Hampshire, including Gosport, Fareham, Portsmouth and Waterlooville. Our volunteers are advocates for young people. We safeguard a young person's rights and encourage the police to make arrangements for the young person to be safely and promptly released and transferred to appropriate accommodation after questioning.

Volunteering:

We work with volunteers to identify their skills and interests to enable them to support a range of activities across the organisation.

Motiv8 Young Leaders:

We run a Young Leader scheme for young people who have received Motiv8 help and support and wish to put something back and make a positive contribution to their community. We provide accredited training that increases confidence and develops the skills necessary to lead others successfully.
